CASE NO. 08-CV-1476-JM-POR

**INTERACTIVE DATA CORP. AND
INTERACTIVE DATA PRICING AND
REFERENCE DATA, INC.'S MOTION
FOR LEAVE TO EXCEED PAGE LIMITS**

The Respondents, INTERACTIVE DATA CORP. ("IDCO") and INTERACTIVE DATA PRICING AND REFERENCE DATA, INC. ("PRD") (collectively, "Interactive Data"), respectfully move the Court for leave to exceed the page limitations as imposed by CivLR 7.1(h) for the reasons set forth below:

1. On or about August 26, 2008, Petitioners filed their *Ex Parte* Application For Order Seeking FINRA Subpoena Or, In The Alternative, Setting A Hearing At The Earliest Possible Date With Leave To Conduct Discovery (the "*Ex Parte* Application"). Within the *Ex Parte* Application, Petitioners seek the expedited decision on the merits of the entire action, which involves a variety of complex legal and factual issues. In its attached Opposition to *Ex Parte* Application For Order Seeking FINRA Subpoena Or, In The Alternative, Setting A Hearing At

1 The Earliest Possible Date With Leave To Conduct Discovery (the "Opposition"), Interactive
2 Data respectfully submits that it is reasonably necessary to exceed the page limitation by two
3 pages in order to fully answer the *Ex Parte* Application, as the *Ex Parte* Application seeks
4 resolution of this action's dispositive issues.

5 2. Interactive Data has previously filed four separate pleadings in the brief history of this
6 civil action. This motion is Interactive Data's first request to exceed the page limit.

7 3. The request to exceed the page limit is not made for purposes of delay, but solely to afford
8 Interactive Data a reasonable opportunity to present a full and proper exposition of the reasons for
9 its opposition.

10 Accordingly, Interactive Data respectfully requests that the Court enter the accompanying
11 proposed order permitting Interactive Data to exceed the page limits permitted by Civ LR 7.1(h)
12 so that the attached Opposition may be filed in due course.
